## *What is «Taiwan Fellowship Act» ?*

- New official exchange: U.S. - Taiwan.
- Taiwan would enjoy the largest and most comprehensive such program done by the U.S.
- Taiwan would be the second country to have this partnership with the U.S.
- Modeled after the Mansfield Fellowship between Japan and the U.S.
- Trains the next generation of U.S. expertise on East Asia.
- New mechanism for a deep and long-term engagement between the U.S. and Taiwan
- Western Pacific Fellowship Project (WFPF) is the driving force behind this program

We can all do our part to make this happen this summer
